

Dear Parents

A warm welcome to all families to the 2010 school year and a special welcome to children and families who are new to St Heliers. I hope your time at St Heliers is happy and rewarding.

I also offer a particular welcome to our new staff members; teachers Mr Robert Stickland (Y7) and Miss Jessica Needleman (Y5) and teacher aide Mrs Raewyn Cozens. We look forward to their contribution to, and association with St Heliers.

Setting Standards

One of the most important tasks that teachers do during the first days and weeks of the school year is setting classroom standards.

A priority for teachers is to establish classroom routines and set the very highest expectations for students work, effort and behaviour. The start of the year is the time when the school and class tone is established for the year.

Term Calendar

Please find attached the Term 1 Calendar. Please keep this in a handy place at home for easy reference. From time to time there will be additions to the calendar you will need to mark as the term progresses. The term calendar is also on the school website.

Meet the Teachers' Evening

This years 'Meet the Teacher Evening' is on Wednesday 10th February. The evening commences at 7:00pm on the courtyard outside Rooms 1—3 with drinks and nibbles provided by the PTA. At approximately 7.20pm you will be invited into the hall for my Principal's address. Following that, you move to your child's classroom, where the class teacher will talk about their class, expectations, timetables, general organisation and an outline of the curriculum programme.

Please mark this date down as an important event for all school families to attend. It is an ideal opportunity to learn more about the school in general, your child's class and builds up the positive relationship between home and school.

I look forward to a productive and successful year at St Heliers.

Kind regards,

Craig McCarthy
Principal
