Summary Chairman' s Report

The past 12 months has been a hard but rewarding year for the St Heliers PTA. We had a number of very successful events with the Trivia night being the main event - we received a lot of very positive feedback about the night and look forward to a bigger and better Trivia night this year so book your tables now!!.

We wouldn't be a successful PTA without the support from our amazing team their families and the wider school community - so I thank you all for your support and your generosity over the past year.

As the global financial situation recovers, we are looking to step up the fundraising this year with several new and exciting events as well as some of the old favourites all appearing on our schedule - all in the hope to raise money to put towards things that will benefit your children today and the future pupils of St Heliers School, so I would ask you all to please help out where you can to support these events.

In closing I would like to say that while we have a fantastic PTA team we are always welcoming of new people, energy and ideas to make our School even better, so please feel free to come along and see what the PTA is all about- and remember, we are doing it for your children.

Jo-Davis, Andrew Lambert, Co-chairperson

Treasurer Report for Financial Year to 30 Aril 2010

For the year ending 30 April 2010, the PTA raised \$48,150. Of this amount, a total of \$22k has been donated to the school for a number of items. The main items include hall chairs, library books, picnic tables, junior school readers, gardener expenses, and \$4k each to be spent on both music and sports equipment. In addition, the PTA have committed to donating \$30k to the Year 7/8 block renovation, \$30k to technical equipment required for the new building, and \$18k toward ongoing computer leases. Funds remaining and unallocated after these commitments amount to \$12k.

New members needed!!

It would be great to have some new PTA members! Everything we do helps your child, so come along and become involved.

If you would like to meet us, you are welcome to come to one of our monthly meetings on the 1st Wednesday of each month in the staffroom at 7.30pm.
