

# Glendowie OSCARS

**Providing a fun and safe out of school care programme at Glendowie Primary**

Established in January 2000, Glendowie OSCARS is an independently owned and operated OSCAR programme that is based at Glendowie Primary School. We offer a comprehensive Out of School Care Service, providing Before School Care, After School Care and Holiday Programmes throughout the year. Our services meet the recreational, social and developmental needs of the individual child in a fun, safe and caring environment. Glendowie OSCARS is an approved Child, Youth & Family OSCAR programme, providing out of school care services to families with children aged 5-13 years. Glendowie OSCARS is a member of the OSCAR Foundation and the Out of School Network.

## **After School Care**

Glendowie OSCARS provides an after school care service each day during the school term until 6pm. Children are well supervised in fun, child orientated activities. We make good use of the indoor and outdoor resources available at Glendowie Primary. Children can take part in a wide selection of activities, ranging from arts & crafts, sports, baking, drama, walks to the local reserve, lego/ blocks and homework supervision. We also provide additional activities including weekly ball skills with a qualified coach, All Star cheerleading coaching and swimming.

We collect children from St Heliers Primary School and transport them to Glendowie OSCARS. The fees are **\$55 per week**. This includes transport, afternoon tea, sports, crafts and fun activities, in a caring and friendly environment.

## **Holiday Care**

We have a fantastic programme available during the holidays with an awesome range of activities. The Holiday Club operates each week day from 8.00am - 6.00pm. We provide a variety of activities where children have a fun and exciting time, after all, it is their holiday! You can email for the latest copy of the holiday programme 😊
