Afternoon tea will follow the meeting.

Activities include:

- Our quiet zone, the first half an hour is dedicated to homework with assistance from staff
- Cooking zone will operate twice a week to guide children safely through all steps of cooking
- and our Outdoor zone we offer sports and fun games like soccer, and court sports.

We also have a Big Brother Club, Young Growers Club, a Basketball Team that competes at our central branch, and each term we offer different excursions around the area such as movies and swimming
