Year 5&6 has an optional My Mobile Learning - BYOD (bring your own device) programme. The school can supply some devices in each class. Our wish is for students who have access to a suitable device to bring this to school for use in the classroom. This helps reduce the funding the school allocates for school devices and is able to use towards other student resources.

For more info checkout <https://www.stheliers.school.nz/en/learning/byod-bring-your-own-device>

Please ensure everything is clearly named before bringing it to school.

Purchase through these retailers and the school will benefit:

- Eastridge Paper Plus (*mention St Heliers School at the checkout*)
- Office Max MySchool Online <https://www.myschool.co.nz/stheliers>
