

Year 3 & 4 At Home Activity Sheet for Term 1 Week 3 2023

PLEASE READ THIS FIRST!

Hi Year 3 and Year 4 students.

This is your At Home Activity Sheet for the next few days.

You can do some/all or none of these activities in ANY order you choose. You can also work on your HOMEWORK TASKS set on Friday in class.
It is **not compulsory** to do ALL the activities, so do your best and **do what you can**. Please don't feel you have to print out this plan or just print it in black and white.
All of the Year 3 and 4 teachers care about you all so very much and can't wait to see you all again very soon.
